Mello

Mello is a trained Crystal Resonance Therapist, who has been in practice for over 20 years. Receive an intuitive colour therapy layout, while lying on the table singing bowls are sounded to tune and very special crystals are intuited for each chakra. and activated by 2 beautiful programmed quartz wands. All of this process is done with the clear and potent intention to open and clear, activate and energise the chakras. His pendulum spins almost horizontally when verifying that the persons chakras have risen up in vibration, to meet the pure higher light of each of the crystals. Be taken on a profound inner guided journey, into a magical space, where you receive a channelled Connection with your own Higher Self (you can record this for future inspiration).

45 minute session. Usually \$100. Retreat participants suggested donation or exchange \$80 cash.

Saturday & Sunday afternoon only.

Book through Kirsten – we@newearthdreaming.org or 0406 591 510. Or at the retreat, if space available, directly with Mello.
